## CATERING MENU 2024

# ABOUT US

At **MEAN BAO**, we take our family's traditional dim sum favourites and add our imagination, playfully crafting unique baos and dumpling with flavours inspired by Toronto's diverse cultures. We opened our first location in 2013 in Toronto's Village by the Grange but have quickly expanded the family to more locations in Union Station and the Financial District including our latest grand opening in early 2024, in Bay Adelaide Centre.
